

Dear Sponsor,

I wanted to take this time out to Thank You again for your generous donation to our Baseball team. With your help we have been able to play in several tournaments, help pay for equipment/gear, and provide much needed instruction for our team. We have continued to improve as a team coached with positive energy and reinforcement. In winning our first two tournaments of the season, we have seen some early success and we anticipate a high placement at the USSSA World Series in early July. Please check out our website www.cy-fairthundercats.com and see under the "team achievements" page the success we have accomplished. Please also see our "schedule" page for our next regular season game or tournament game. We would like to extend an invitation for you to come out and watch our team play baseball.

Respectfully,

A handwritten signature in black ink that reads "Darin K. Young". The signature is written in a cursive, flowing style.

Darin K. Young
