

Dear Potential Cy-Fair ThunderCats Sponsor,

We are a Youth Baseball organization that has been together for our 3rd season of competitive baseball. We have filed all our paperwork through the IRS and State of Texas to become a 501 (c) (3) Non-Profit Organization. We are teaching our players the fundamentals of baseball with good sportsmanship and positive reinforcement. With this we are helping develop our players physically, mentally, and spiritually that will help them grow up to become class act citizens in our society. The money that we raise is used to help pay for equipment, professional instruction, many tournament fees, and eventually summer world series that could be out of state. We offer 4 levels of sponsorships and will advertise your generosity on our team website at www.cy-fairthundercats.com Please look over our sponsorship form and donate generously. Thank your for your support. Kindest regards,

Darin K. Young
